NEW ORLEANS MAN

A New Orleans man, Clarence G. (Trap) Meyers 50 years of age, was the victim of death shortly after 1 o'clock Saturday afternoon in the swimming pool of Camp Onward, Bay St. Louis.

A member of the Kingsley House, New Orleans, Mr. Meyers with his wife and children was a frequent visitor to the Coast where he had a host of friends.

The swimming pool at Camp Onward, built from money given by a New Orlean's philanthropist, had not been used since its construcand son Dennis came to the camp designed, manufactuerd, and in tion. Mr. Meyers, with his wife with a group of friends this past weekend land Meyers said he was going to be the first to use

the newly constructed pool. Taking off his shoes and shirt, he plunged into the pool while after his first dive, Meyers laugh ingly joked with his family and He dove the second time, and upstairs goes to work again memrepeat the dive for their benefit. came to the surface, face down, but floating. For a brief period suddenly realized he was staying with his face emerged for too long a time. They jumped into the pool and pulling him out, his wife attempted to revive him

heart in an attempt to save her husband's life. The man was pronounced dead, making the second dive.

The body was taken by Fahey Funeral Service to Leitz-Eagan each month. Funeral Home in New Orleans where burial took place Monday, Our Lady of Good Council Church, nterment was in Lafayette Ceme-

CONDITIONING CONTEMPORARY

EE SURVEY is tell you how little le-house cooling costs our easy 3-year pay

Forget everything you ever heard about central air conditioning. Now, for a ranch or two story home, for Cape Code or Conor two-story home, for Cape Code or Con-temporary, there's an easy, economical so-lution to whole-house air conditioning. In place of old-style air conditioning systems that had to be engineered on the site from separate units, you can enjoy an all-in-one air conditioner that's completely factory-built assembled tested—the amaz-ing new Fedders Adaptomatic. Say good bye to expensive cooling towers, water bills, engineering costs. Fedders Adapto-matic takes residential air conditioning out of the luxury class.

no costly structural alterations - big, big installation savings

In addition to its low rost, the Adaptomatic slashes installation expense. It's no longer necessary to cut an 8-square toot hole in exterior walls, to build special dormers. Adaptomatic locates anywhere to minimize costly ductwork.
